### Philosophy of the Congress

The Philosophy behind the European Adventist Youth Congress is threefold.

**Respect God** - Be a witness for Jesus. In so doing we expect all participants to observe the Seventh-day Adventist lifestyle especially regarding abstinence from alcohol, tobacco, drugs and inappropriate sexual behaviour.

**Respect Others** - Please care for the property we are using, including the dormitories, equipment and Congress facilities. Damage to or loss of any equipment or property will be charged to the individuals concerned. We would also ask that you respect other participants' needs for peace and privacy, especially late in the evenings. **Mobile phones should be switched off or put on silent mode during all general meetings and seminars.** 

**Respect Yourself** - The dress code shall be modest and non-suggestive casual wear during the weekday meetings and activities. Sabbath attire is at the discretion of each individual. Remember that we are here to get closer to God and, rather than promoting ourselves, we should aim to be living examples of the best and most uplifting traits of Christianity at all times.

Thank you for your help in making this an uplifting and memorable event.

BUILDING SPIRITUAL HOMES

LIVING our values TOGETHER

We're so glad you've made the journey to Valencia – welcome! We hope the travel went well, whether by plane, train, coach, ship, car or even bicycle. Now here, we hope you will relax and enjoy the few days we have together.

Our theme, "**The Journey**", raises three life questions. Where have I come from? Where am I now? And where am I going?

Where is our planet going? We'll be looking at that on Wednesday. As Seventh-day Adventists, who have a passionate hope about the journey ahead, do we really care about the world we live in now? And how do we care, serve, and love 'others', particularly those unlike us? That's our conversation for Thursday. On Friday, we'll consider our **responsibility to God**, because of - the journey - Jesus Christ made for us. And for Sabbath, we'll worship well, together, and offer praises and thanks to our great God, responding to His invitation to 'Journey on'.

We promise you the best: **inspiring speakers and good conversation**, surrounded with worship that connects us with God, and each other. Be sure to make the best use of the Bible studies, seminars, and workshops. They're, designed to equip and grow your personal faith, for service to God and the people near you in today's Europe.

By Sunday, we begin our return journey home. What will be different, about you, from the

outward journey to Valencia? New insight and discoveries? New friends? A deeper and stronger friendship with Jesus? Our hope and prayer is that whatever you experience here, it will help and support your journey with Jesus. Could it be that in Him, we find our true journey home?

"Let us keep our eyes fixed on Jesus, on who our faith depends, from beginning to end." (Hebrews 12:2 Good News Translation).

### Main Speakers

### **TY GIBSON**

At the age of eighteen Ty encountered the truth of God's existence for the first time. After having been raised with a purely secular worldview and having witnessed evil and suffering firsthand, Ty was completely opposed to the idea of a Supreme Being. "If God exists," he reasoned, "He would have to be cruel to have made a world like ours." Ty's conversion as a teenager was founded on the answer to that question. The powerful reality of God's love opened Ty's mind to a whole new line of thought. Since then he has given his life to the joyous task of sharing God's good character in public seminars as well as through print and video media.

#### Story of a Nail

2,000 years ago, a nail on a cross changed the course of humanity. 500 years ago, a nail was used by Luther to remind us all of the good news of Salvation by faith alone.

During the congress, we want to proclaim **The Story** of that nail by officially beating a Guinness Record. We will make the Largest Iron Nail Mosaic of the World. Together, we will draw the **face of Jesus** with 800 kg of nails on a 15 square meter platform, and draw the attention of Valencia, and even the world, to the person of Jesus Christ.

The mosaic construction begins on Tuesday morning, next to the Art Activities (see page 69) and we will finish it together on Thursday afternoon. So drop by anytime to nail your nail and be a part of this great impact activity.

With your help, we will also distribute thousands of flyers with **The Story i**n Valencia, as well as 2,000 evangelistic books with a "Special Edition" of the Story of a Nail on Thursday afternoon.

The flyers will encourage people to visit the website <a href="historiadeunclavo.com">historiadeunclavo.com</a> where they will learn more about the Story of a Nail and the message of the Gospel.

#### Let's Take This Road

Music: Peter Manners-Smith | Lyrics: Peter Manners-Smith, Kärt and Tihomir Lazić

Page after page we read of their lives – Heroes who left all else behind To take the path in history outlined By Him who weary hearts revives.

> We see them run and we see them fall, Still staying faithful through it all. Through sunny days and through fiercest storms, Still they go on, keep moving on!

We're on a journey,
Walk by my side –
United in faith,
Together we'll stride.
Christ is the way,
Come walk in His light.
Let's take this road together!

We lift our eyes, the same path we see Winding in front of you and me.
Hear Jesus call: "Get up and go!"
And as we journey, we will grow.

Then where the footprints in dust run out, Where we are faced with fear and doubt. God's Spirit draws us to paths unknown Trust in His voice, keep moving on!

And we walk together (we walk and talk together) And we pray together (we pray and praise together)

And we serve together (we serve the world) Let's take this road together!

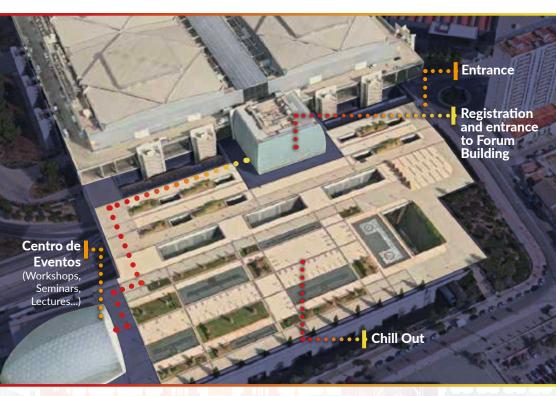

Freely we live, ransomed in Christ, Saved by His precious grace alone. Arms open wide reaching to those Who yearn for hope and for a home.

> Building the kingdom of heaven here As the return of Christ draws near Let us rejoice as we journey on Joined by His love, keep moving on!
