What seasons do you go through?

Think about how you grow. Can you draw for each season of life.

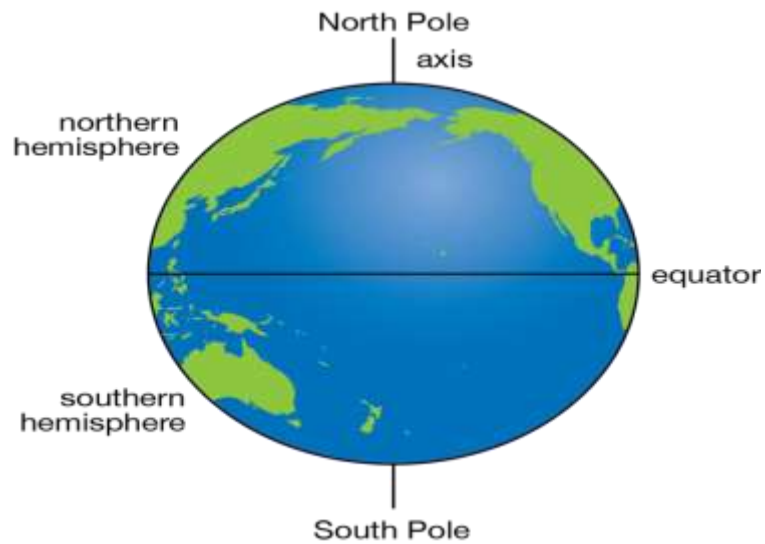

Baby	Toddler	School
Work	Marriage	Parenthood

What season are you in?

What are the seasons of the year?

What happens in each season? Draw the weather for each one.

Spring	Summer
Autumn	Winter

1. The Northern Hemisphere where the United Kingdom is situated and the Southern Hemisphere where Australia is situated experience opposite seasons because of the way the earth turns and tilts on its axis. So, when its winter here its summer in Australia.

Winter in United Kingdom	_____ in Australia

So, what do you wear in each season?

Spring	Summer
Autumn	Winter

There is a time for everything, and everything on earth has its special season.

A time to be born, a time to die

A time to plant, a time to harvest

A time to kill, a time to heal

A time to destroy and a time to build

A time to cry, a time to laugh

A time to be sad and a time to dance

A time to throw away stones and a time to gather them

A time to embrace and a time to hold back

A time to look for something and a time to stop

A time to keep something and a time to throw it away

A time to tear apart and a time to fix it

A time to be silent and a time to speak

A time to love and a time to hate

A time for war and a time for peace

God holds everything in His time, He does what is needed when its needed. We may never understand why and when but the best thing is to be happy and live your life in faith.

Think about one of the verses from Ecclesiastes and illustrate it here by drawing or sticking on pictures you have found.
