---

---

---

2. Explain the purpose of animal camouflage.

---

---

---

---

3. Describe and give an example of each of the following types of animal camouflage:

a. Concealing coloration

---

---

---

b. Disguise

---

---

---

c. Mimicry

---

---

---

**d. Disruptive coloration**

---

---

---

**4. Do three of the following projects:**

- a.** Create a game based on animal camouflage and play it with a group.
- b.** Write and tell a children's story with an Animal camouflage theme.
- c.** Create a poster or display showing at least four (4) different environments with animals that might be camouflaged in each.
- d.** Create a display of pictures you have taken or drawn of five (5) different animals in camouflage.
- e.** Spend a minimum of ½ hour observing an animal which uses camouflage (in its natural setting, if possible) and write a report on your observations.
- f.** Create a children's book with illustrations about animal camouflage.
- g.** Participate in a panel discussion about the use of animal camouflage giving specific examples and details and the type of hiding it uses.
- h.** Create a scale model, creating animal and habitat showing how it can hide in nature.
- i.** Make a scrapbook of the five (5) animal camouflage types (see #3) and pictures of five (5) animals in each of those types.
- j.** Using multi-media, create a presentation about animal camouflage.
- k.** Create your own project (submit it for approval from your Club Director before starting)
