READ GENESIS 7:20-23

²⁰The waters rose and covered the mountains to a depth of more than fifteen cubits. ²¹Every living thing that moved on land perished—birds, livestock, wild animals, all the creatures that swarm over the earth, and all mankind. ²²Everything on dry land that had the breath of life in its nostrils died. ²³Every living thing on the face of the earth was wiped out; people and animals and the creatures that move along the ground and the birds were wiped from the earth. Only Noah was left, and those with him in the ark.
